This document provides key investor information about this fund ("Fund"). It is not marketing material. The information is required by law to help investors understand the nature and the risks of investing in this Fund. Investors are advised to read it so to make an informed decision about whether to invest.

Cape Capital SICAV-UCITS - Cape Equity Fund - Internal A EUR, a Share Class of Cape Capital SICAV-UCITS - Cape Equity Fund

Management Company
ISIN

MultiConcept Fund Management S.A., Luxembourg
LU1200255203

Objectives and investment policy

This Equity Fund is actively managed aiming to achieve capital appreciation over the long term. The Fund mainly invests, either directly or via Target Funds (incl. ETFs - Exchange Traded Funds) in equity and equity-type securities of issuers worldwide. It invests without being limited to a specific currency, industrial sector, capitalization of the issuer or geographic scope; however investments in emerging markets will not predominately be represented. In order to achieve its objective, the Fund can use derivative instruments to protect against movements

in currencies and security prices and for efficient portfolio management. The investor can buy or sell shares on a daily basis (Luxembourg and Switzerland bank business days). This Share Class does not make regular distributions. The Fund shall bear the costs of standard brokerage and bank charges incurred by the Fund through securities transactions in relation to the portfolio. These charges are not included in the "Charges" section of this document.

Risk and reward profile

Risk profile

The Fund's risk and reward profile shows the variations in value an investment in this Fund would have undergone over the past five years, whereby simulated performance data is used in the case of missing history. The Fund's risk rating may change in the future. Please note, higher possible gains generally also mean higher possible losses. The lowest risk category does not mean that the Fund is risk free.

Why is the Fund in the specific category?

Amongst other, equity prices mainly reflect the expected prospects of firms, as estimated by market participants. Expectations tend to fluctuate more strongly in times of higher uncertainty.

Are there any other particular risks?

The Fund's risk and reward profile does not reflect the risk inherent in future circumstances that differ from what the Fund has experienced in the recent past. This includes the following events which are rare but can have a large impact.

- Credit risk: Issuers of assets held by the Fund may not pay income or repay capital when due. The Fund's investments have low credit risk.
- Liquidity risk: Assets cannot necessarily be sold at limited cost in an adequately short timeframe. Part of the Fund's investments may be prone to limited liquidity. The Fund will endeavor to mitigate this risk by various measures.
- Counterparty risk: Bankruptcy or insolvency of the Fund's derivative counterparties may lead to payment or delivery default.
- Operational risk: Deficient processes, technical failures or catastrophic events may cause losses.
- Political and Legal risks: Investments are exposed to changes of rules and standards applied by a specific country. This includes restrictions on currency convertibility, the imposing of taxes or controls on transactions, the limitations of property rights or other legal risks.

Charges

One-off charges taken before or after the investment	
Entry charge	Not applicable
Exit charge	Not applicable
Switch charge	Not applicable
This is the maximum amount that may be deducted from the investor's money before it is invested or before the proceeds of the investment are paid out.	
Charges debited to the Fund over a year	
Ongoing charge	0.71%
Charges debited to the Fund under certain specific conditions	
Performance fee	Not applicable

Charges debited to investors are used to pay for the cost of running the Fund, including marketing and distribution costs. These charges reduce the potential growth of the investment.

The **entry** and **exit charges** shown are the maximum figures that can be charged to the investor. Investors may obtain the fees effectively applied from their individual financial adviser or distributor.

The **ongoing charges** figure is based on last year's expenses for the year ending December 31, 2017. This figure may vary from year to year. It excludes performance fees and portfolio transaction costs, except in the case of an entry/exit charge paid by the Fund when buying or selling shares/units in another collective investment undertaking.
