

INFOSHEET – JULY 2024

The objective of the strategy is to create long-term capital appreciation by investing in a portfolio of high-quality companies. The fund holds 20-30 large-cap global quality firms which are leaders in their industries, hold strong franchises, have little or no debt, and which generate solid cash flows that can either be distributed through dividends and/or share buybacks on a sustainable basis. The fund focuses on investing in profitable, growing and reasonably valued companies. Environmental, social, and governance considerations are also integrated to the investment process.
